

Dear Parent or Guardian,

The volunteers of the Brampton Chapter of Professional Engineers Ontario have organized the Bridge Building Challenge for the benefit of school children in our community. The Brampton Chapter of Professional Engineers Ontario and its representatives will provide an environment in which everyone's safety is of prime importance. However, Brampton Chapter of Professional Engineers Ontario volunteers cannot take direct care and control of your child. It is encouraged that parents and guardians be present at the challenge to share and enjoy your child's successes and achievements.

A parent or legal guardian who wants his/her child to participate in this challenge must complete and sign this Parental Permission Form and submit it at the time of check-in on the day of the event.
